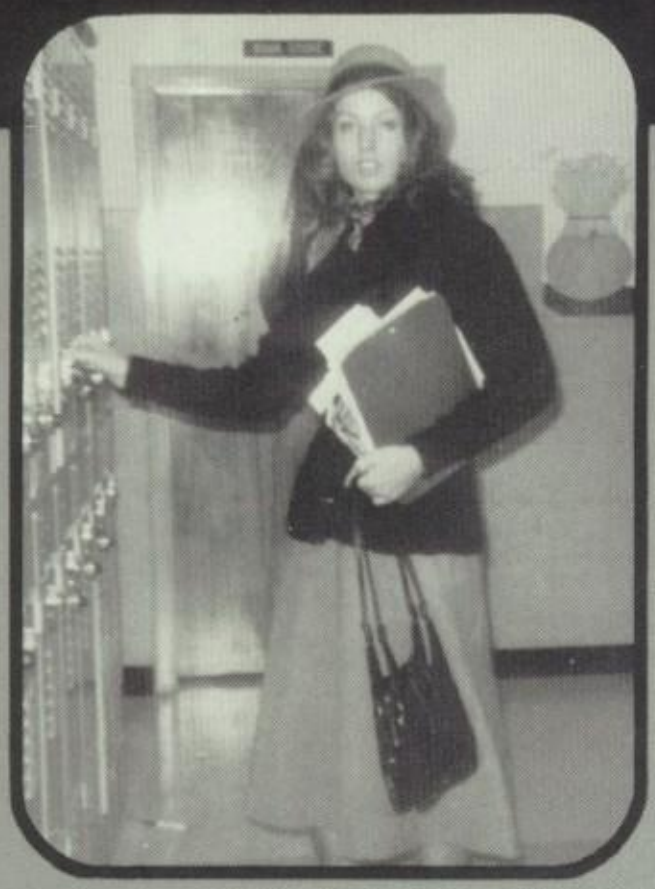
LOWER SCHOOL
PAGE 95



To each of us, school represents different images.

To some, school is an opportunity to gain knowledge.

Many feel that school is a chance to participate in athletics.

And still others think of school as a place to meet new and different people . . .

. . . There are an infinite number of facets to school life and each is important.

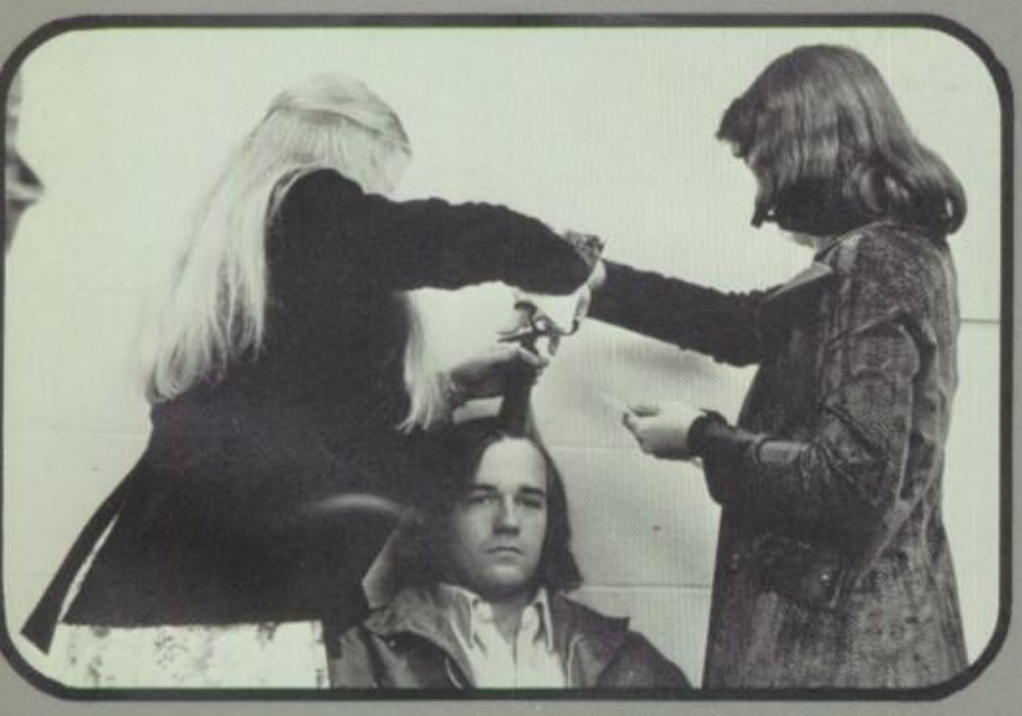
Every student has his own image.

Some have the same image with very little change, year after year.

While others have a new image each year.

The different images do not split up the school but give it added depth.

With all of these images in mind, only one **unique** image is formed and that is Nansemond-Suffolk Academy.



Images, reflections, memories shared of days gone by, to be recalled in the days that lie ahead. Scoreboards will be lit in our minds with numbers of victories and defeats. Crowds will cheer on and instruments will play our alma mater. Typewriters, laughter, and buses taking off, we'll hear again . . .

. . . In silence we will remember study hall or detention period. The crazy and sad times at NSA will come to mind often, like "50's day" and dressing up, decorating for proms and dances, friendships we've encountered, and goodbyes at the end of each year.

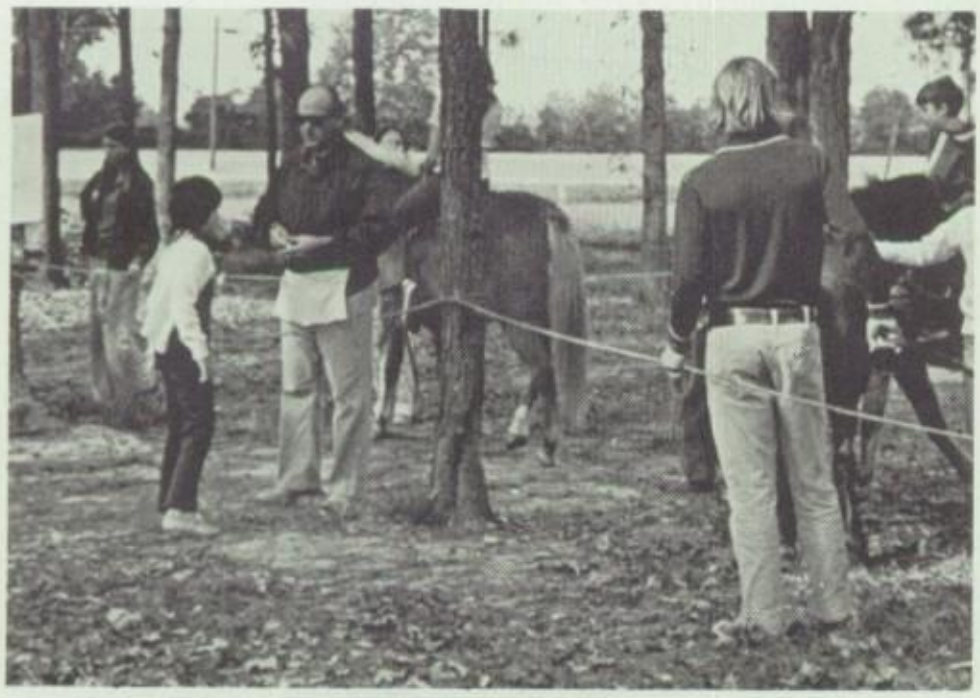
DAY AT NSA



A WEEK OF EXCITEMENT CLIMA

Homecoming Court: 8th — Melanie Allen, Mary Stroud; 9th — Sherri Gabbert, Wende Burkette; 10th — Diana Mayer, Doris Lawrence; 11th — Betty Williams, Kathy Honneycutte, Elsie Doughtie; 12th — Susan Thomson, Joan Garner, Jessie Liles.

One of the most memorable images in the '74 Homecoming.

To help build spirit, a special type of dress was worn each day that week. At the end of the week a "Mr. and Miss Spirit" were selected, with Beth Carter and Connie Winbrough tying for Miss Spirit, and Mark Mooring as Mr. Spirit.

The team set a 50-point goal as an end to the hard hours of extra practice.

Leslie Davis, Chairman, Liz Morse, S.C.O. President, and Mrs. Birdsong, S.C.O. Sponsor, supervised the building of the float as well as directing practices.

Following half-time entertainment by our band and majorettes, Jessie Liles was crowned our third Homecoming Queen.

After a final victory of 67-0, a dance was held to make it complete.

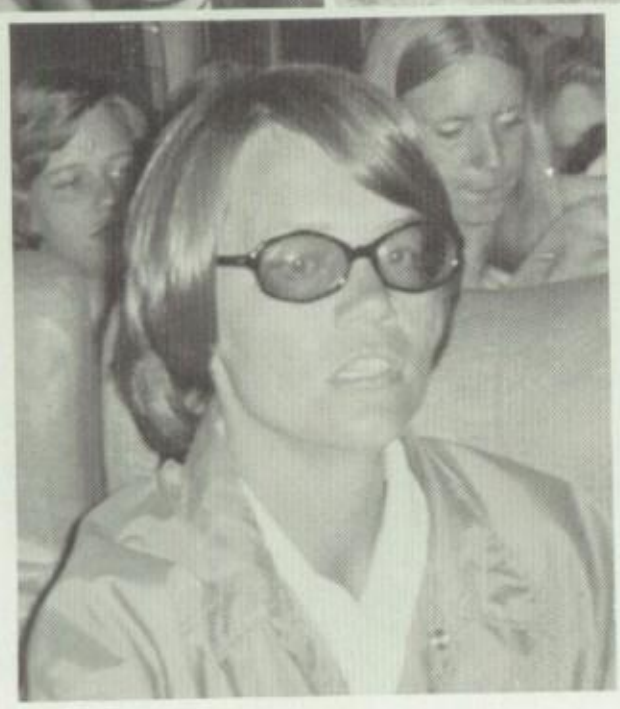
CHALLENGE

The sports program provides many challenges to students. Opportunities have been expanded from team participation in football, baseball, and basketball to include individual efforts in golf, gymnastics, tennis, and wrestling. Intramurals have allowed more students to meet the challenge of athletic involvement.

SOFTBALL

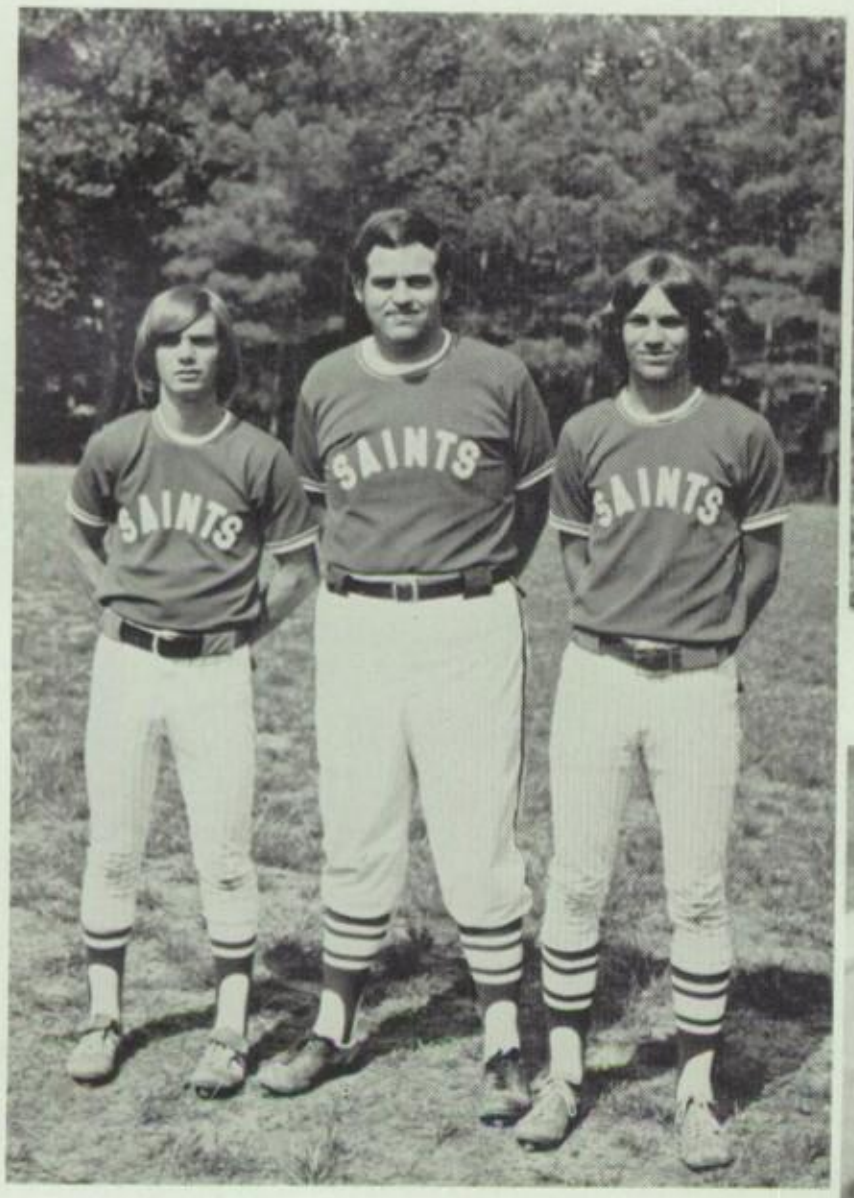


Mrs. Spruill, coach

With the great coaching job of Miss Spruill we really improved our ability this year.

The competition was real stiff. But it really paid off, our final record was 11-3. We really would like to thank Miss Spruill and all the players for such a great year.

BASEBALL '74



Mr. Adams, coach; Tommy Weaver and Jay Butler, senior co-captains.

Infield

This year was a year to remember a new coach and many new players, but we all got together and our record ended 4-4 in conference and 4-8 in non-conference.

Mr. Adams, we would really like to thank you for doing such a good job.

BOARD OF DIRECTORS STRIVES FOR MORE PROGRESS AT NSA

Our Board has been quite busy planning the "Margin of Difference" drive. The goal is to raise $750,000 which will be used to retire school debts.

A kick-off dinner for those who are working directly in this effort was held on February 21. As of that date over $200,000 had been pldged.

The success of this drive will assure that Nansemond-Suffolk Academy will reach its full potential for serving students and patrons.

Members: Mr. David Peck, Dr. Lloyd March, Mr. Wilkenson Holland, Mr. Joe Suttle, Mr. Charles Shotton, Mr. John Kirchmier, Jr., Mr. David Frohman, Mr. Ted Eudy, Mr. Cabel Birdsong. **Not Pictured:** Mr. Phillip Dailey, Mr. George Eberwine, Jr., Mr. Burke Howell, Dr. Phillip R. ACTIVITIES

There never seems to be enough time for students. Every year new and interesting clubs are added to our already established ones. Each club has an attraction to different types of students, and these students combine to form a new dimension of our school. With the addition of a daily Activity Period this year, students had more time to spend in the various clubs and organizations. Among the new activities available were the Newspaper, Bluegrass Club, Hi-Y, and Stage Band.

SCO Broadens the Spectrum of NSA Activities

Liz holds a meeting with committee chairmen: Jeanne Hurlbert, Leslie Davis, Alan Psimas, Mary Ann Buchanan, Kathy Hobbs, Mike Mayer, Carla Jones, Deborah White, Mary Babb, Sharon Schultz, Shelton Carter, Mary Eberwine.

The SCO started the year off by selling Spirit Books and Student Directories. The profit from these sales gave us the money to sponsor several Victory Dances after football games. In November we had a beautiful homecoming coronation and dance. We also sent several students to IWA on an exchange program set up by the VASC. In February the big news was the Sweetheart Ball. The SCO donated new silver trays and many other goodies to the school for this event. Throughout the year we sponsored a child in Argentina and provided many useful services to the Saints. Although we spent over a thousand dollars, we still have plenty to continue our great programs.

MONOGRAM CLUB

Promoting school spirit and raising money for the athletic equipment is what the Monogram Club is all about. It's really an honor to be part of it. To be a member you have to have earned a Varsity Monogram letter whether you are male or female.

Forensics

The Forensics Club is made up of people with English skills. In the spring there is state competition with other academics which includes debate, art, reading, writing, band, and public speaking. Carla Jones is President with Jeanne Hurlbert—Vice-President, and Lynda Howell—secretary—treasurer.

ATHENA — BETA CLUB

The Athena-Beta Club is an honorable organization which gives recognition to those students who display high academic ability. It is not a club that just sits around and does nothing but work. It includes a well-rounded group of students who not only do their work but are also involved in other activities. In addition to this they know how to have fun. Hope Baker — President; Lavada Gomer — Vice president; June Sutherland — Secretary; and Brett Holliday — treasurer.

On November 26, three new members were tapped into the Beta Club. These girls, Nan Pearson, Kathy Brock, and Robin Byrd, were recognized at an assembly of the Upper School.

As a money-making project, the Beta Club sold various types of trees. This was very successful, but the Beta's do not only work for money. They keep the card catalogue in the library organized and monitor the concession room.

The Tri-Hi-Y is a Christian girls service organization. Through the year, it has been involved in several community activities. Already, they have sponsored the Tuberculosis collection. The members are now working on a bill to present at the Model General Assembly this spring. After their work is done the students in Tri-Hi-Y are looking forward to Massanetta. This is a camp where the members from all over Virginia meet for a week of fun and fellowship in early summer.

Percussion Section: June Britt, Rudy Byrd, Mac McBride, and Ricky Fletcher.

"Come on, man, hit that yard line with the right foot."

And so, last summer and into fall, Mr. Mitchell began preparing the band for its debut at the home football games. The consistent progress the band displayed as it performed at consecutive games was certainly a credit to all the members. Majorettes, the first ever, at the academy added beauty and sparkle to the halftime shows in their sequin uniforms. Playing for Pep Rallies, basketball games, assembly programs and concerts made it an active year for the band.

One of the most exciting events of the year was for the band to move into its new band room in the Fine Arts building. This seemed to be another indication of the progress being made toward their goal of having the finest band in the area.

Clarinet Section, Front row: Pam Worrell, Lisa Fariss, Renee Griggs, Penny Parker, **Back row:** Mike Griffen, and Mike Warner.

History was made this year with NSA having its first "Stage Band" under the direction of David A. Mitchell. Students practiced during Activity Period and in three short months, gave their first performance at Christmas. In February, they played for the "Margin of Difference" Dinner. Congratulations and keep up the good work.

Blue Grass Club

A brand new club has been added to NSA this year, the Blue Grass Club. You'll hear such instruments as the fiddle, guitar, banjo, jews harp, bass fiddle and drums. Their first appearance was field day. Attending concerts is an enjoyable event on Sundays. The officers are Bob Babb — President, Bruce Harlow — Vice President, and Sonny Perry — Secretary-Treasurer.

RAZZLE,

Chorus — Jimmy King, Timmy Gwaltney, Joey Holland, Keith Griffin. Jimmy Bracey, Joan Garner, Sarah Kilgore, Priscilla ten Braak, Kay Underwood, Kathy Ward, Claudette Moore, Kathy Butler.

DAZZLE, AND FRAZZLE

Intermediate Band

Majorettes are Janet Whitley, Brenda Holland, Carla Jones — Drum Major, Kathy Lewis, and Gina Owens.

The hard work, the dedication, the fun — these are all common features of the rythmic groups of NSA, the intermediate band, the majorettes.

The babes of this crowd are the members of the intermediate band. These lower schoolers are in their early training to assume positions in the school band. The chorus is made up of students in the upper school and is presented as a class. When asked what they do, one answered, "Sing." A new club at our school is the Blue Grass Club. The members bring their own instruments and sit around, warbling their tunes. Another new feature at NSA is the majorettes. These four girls, with sweeping style, have mastered the baton and have performed with fire batons. All of these groups are linked by showmanship and form another **image** of NSA.

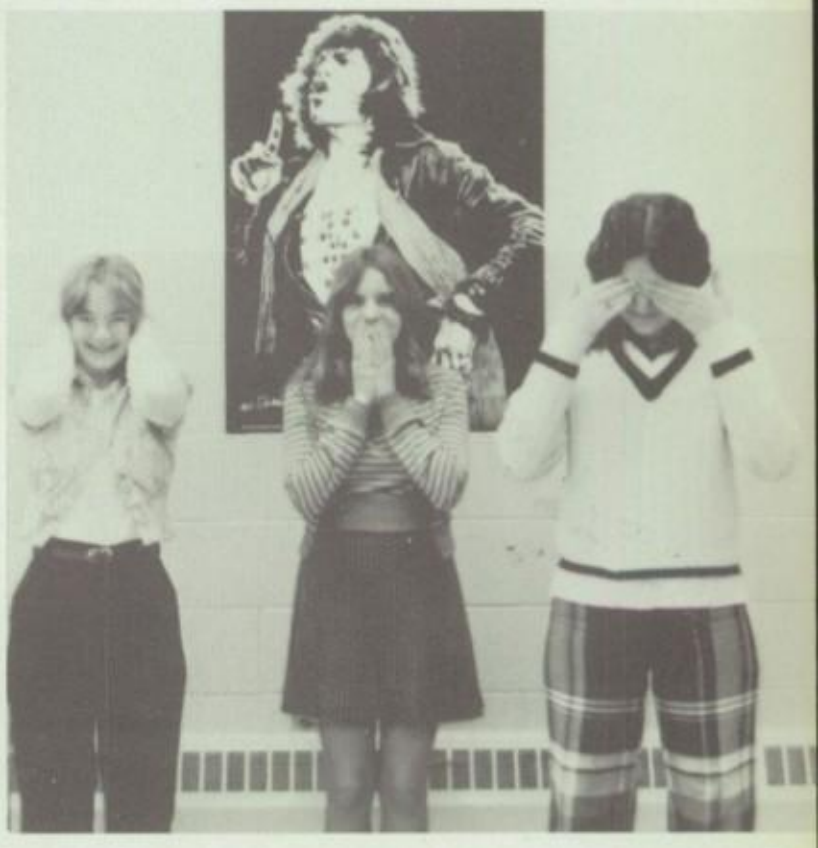
Chess

The Chess Club says, "Don't forget — P-K4, P-QR3?, P-Q4 resign."

HI-Y

1975 marks the first year NSA has had a Hi-Y. The Hi-Y is a boy's Christian Community Organization, sponsored this year by Mr. P. Johnson. Hopefully the Hi-Y is a club that will grow at NSA.

Drama



Drama has only just begun at NSA!
With the help of its sponsor,
Mrs. Gay Birdsong, the club has planned
a play for spring. Hopefully this
will just be the beginning of
a promising future for the Drama Club.

FACES

The faces of students at NSA portray many images: the confusion of an Thetamore on the first day of school, the confidence that Freshmen have since they are no longer "bottom dogs", the liveliness of Sophomores as they involve themselves in many activities, the enthusiasm of a Junior getting ready for the Ring Dance, Prom, or even a Pep Rally, or the concern of Seniors as they ponder their future.

Faces from every class join to form one image of cooperation in many activities.

When we came to NSA in our Thetamore year, growing as the school grew, we entered high school that year amidst carpenters, electricians, untiled floors, and a dusty lawn. We saw the work of parents, teachers, students and other volunteers creating not only a building but a feeling of accomplishment and closeness between everyone. Each of us discovered what high school was all about that year but we could not yet imagine ourselves as Seniors. We were mainly concerned with learning our schedules and the names of our classmates. We came from many places but gradually we all became enthusiastic Saints!!

. . . Everyone was excited when we received our class rings at the Christmas Dance. Finally, after working many hours on plans and decorations, and with the added magic of music by "Angus", the Prom became truly a "Tropical Paradise". For all their help, our sponsors, Mrs. Harry and Mr. Bucke are thanked.

Leaving a bit of ourselves in the school, we go on to new horizons, halls, and work to accomplish, and much more for us to learn about life, no matter what each of us pursues. We have only traveled a small distance of the journey our lives will bring and now our heads are filled with images of the person we hope to become . . .

IN APPRECIATION . . .

We, the Senior Class of 1975, dedicate this annual to a man who came to us in the fall of 1973. Since that time, we came to know him as a man with authority, wit, and generous character. We saw a side of him that we didn't expect from an Assistant Principal — his devotion to our class. He volunteered his nights to work very hard with us on our Junior-Senior Prom. Besides the inspiration he gave us, he made those hours more enjoyable.

If you haven't guessed who he is yet, he's someone you see in the halls a lot or for some of you, in the demerit hall. His job is one that has to be done, and no one could do it better and be so versitile. Students will remember him always; some for being their athletic coach, teacher, or a person who is full of life and relates well to students. To all, he is the unique faculty member and special friend.

To Mr. Charles Adams with esteem and appreciation, we dedicate the 1975 issue of **The Scroll** and offer our wishes of much happiness in return for what you give of yourself to others.

As each year goes by, each year gets better. As Mighty Sophomores, we had a great year! Our main goal was making money, in preparation for the big Junior-Senior next year. We earned it at bake sales, by sponsoring several booths at Field Day, and by having a spaghetti supper. Sophomores were active in both boys and girls sports, and those who didn't participate showed their strong spirit by attending all of the games. Yes, the Sophomores are known for their spirit, and we will always remain number one!

THETAMORES

President — Richard Wentz
Vice-President — Barry Davis
Secretary — Terri Albert
Treasurer — Danny Brashier

A new building, new subjects, new teachers, new surroundings and most of all, a new kind of freedom, were some of the things Thetamores were presented with in September. The Thetamores have proven they are active as in Field Day, in which they sponsored a booth — Pop the Balloons. They also won the raffle ticket selling contest, winning a day off from school. They are also active in sports. Many 8th grade boys made Jr. Varsity Football and the Jr. Varsity Basketball team has their share of Thetamores. They are also spirited as they make it known at the pep rallies they are one of the largest classes and class of 79!

LOWER SCHOOL

Images of the Lower School are often hard to present because this part of our school has so much variety, with students ranging in age from five to thirteen, activities include everything from Easter egg hunts and Halloween parades to dances.

These students show enthusiasm, for school wide activities. They all look forward to the day when they can enter high school as "Big Saints".

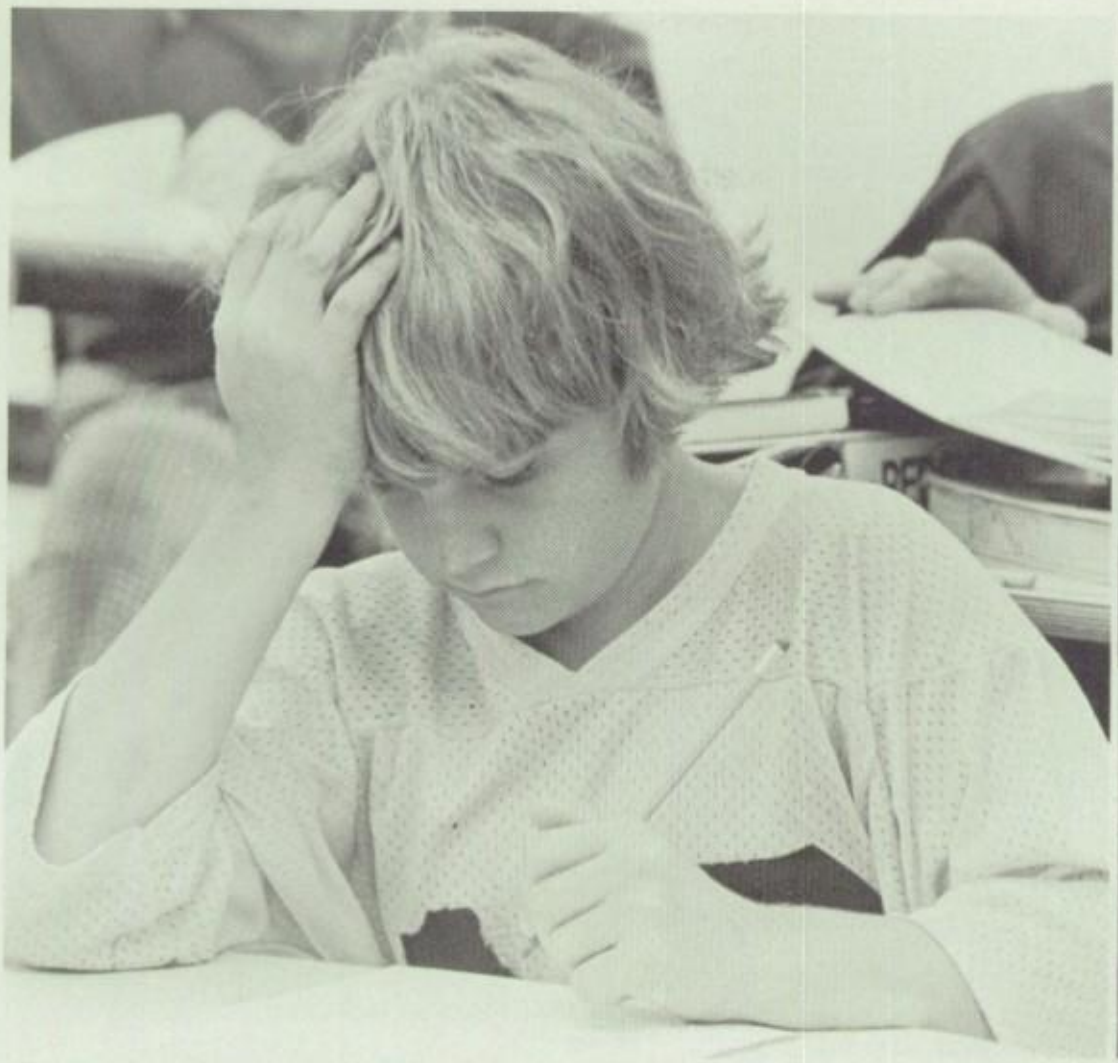
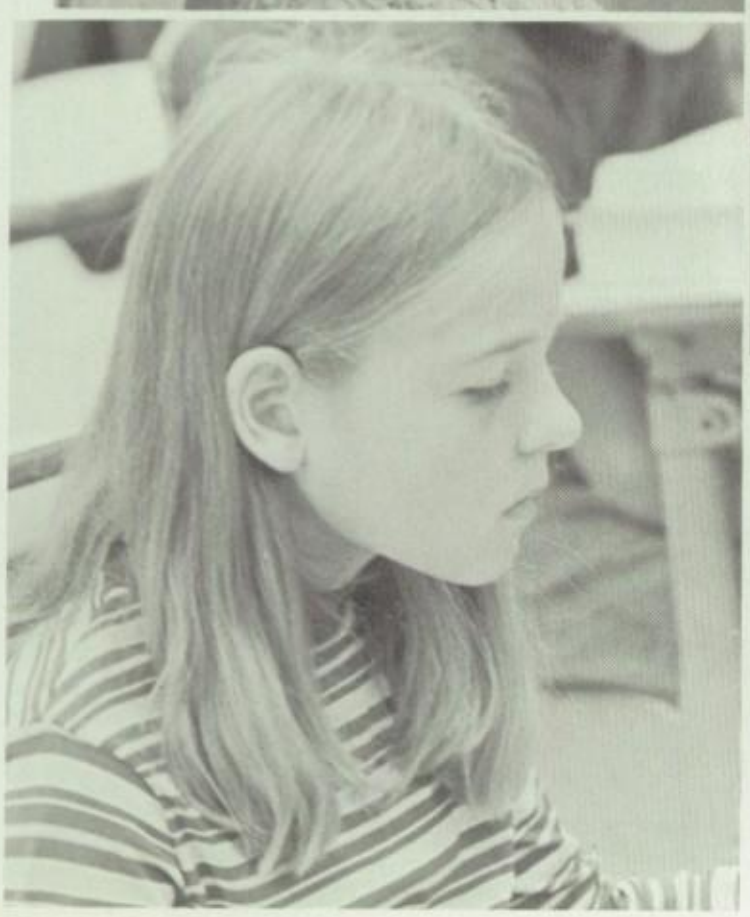
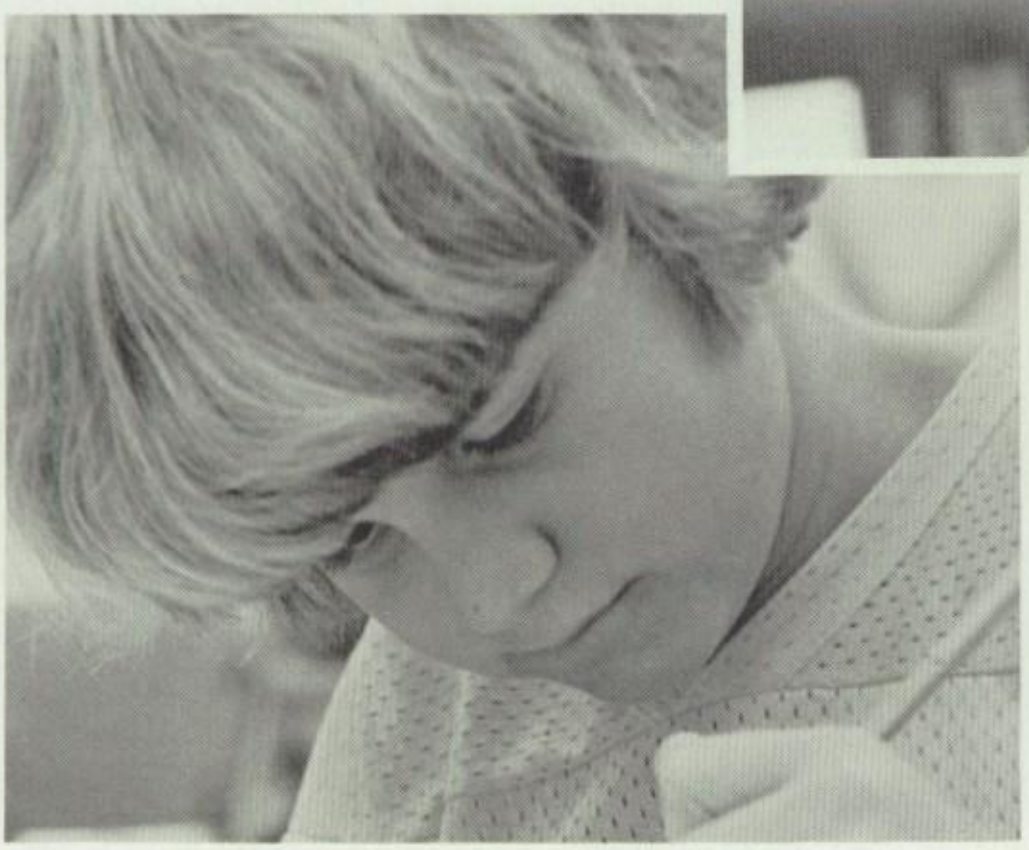
HAPPINESS IS . . .

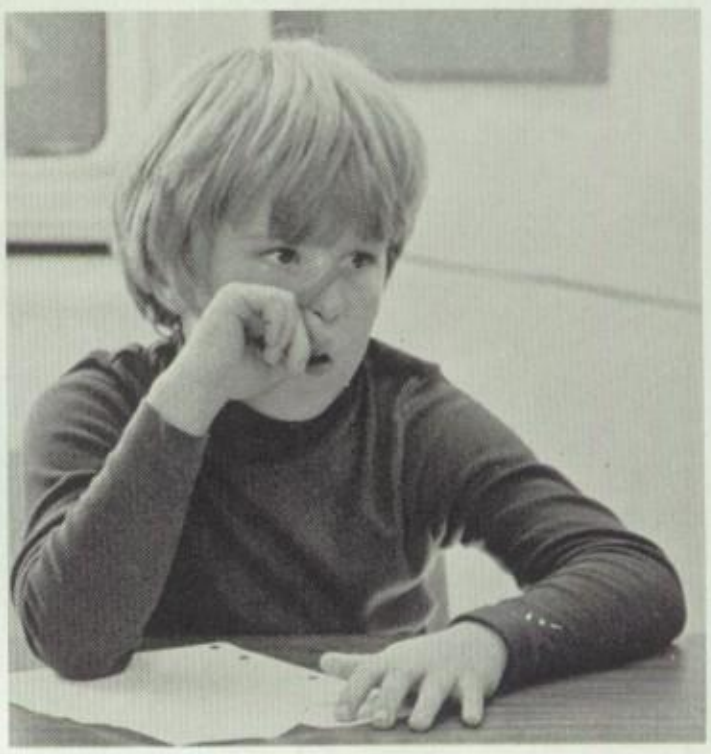
A VICTORY DANCE!





All is not fun and play; study is a very important part of each day.





No picture of Nansemond Suffolk Academy is complete without the inclusion of the Lower School. These small scholars give our school image and added depth. It is hard to remember it, but once, we were elementary kids, too. Occasionally we are able to conjure up the memories of bookbags, thick pencils, Dick and Jane, and new responsibilities. Perhaps if we could recall these thoughts more often, we would appreciate our Lower School. Even though we may refer to them as little devils, these young people are a new crop of "Saints." Therefore it is our duty to take pride in them and remember to include them in our image of NSA.

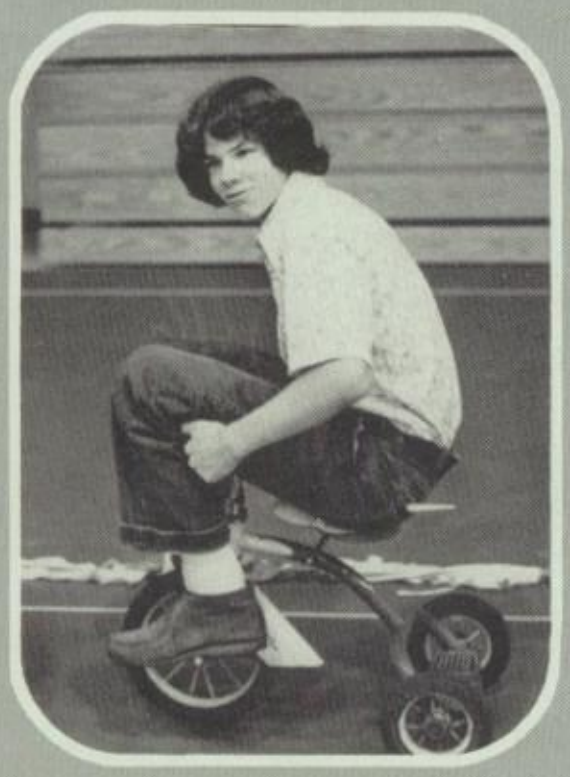
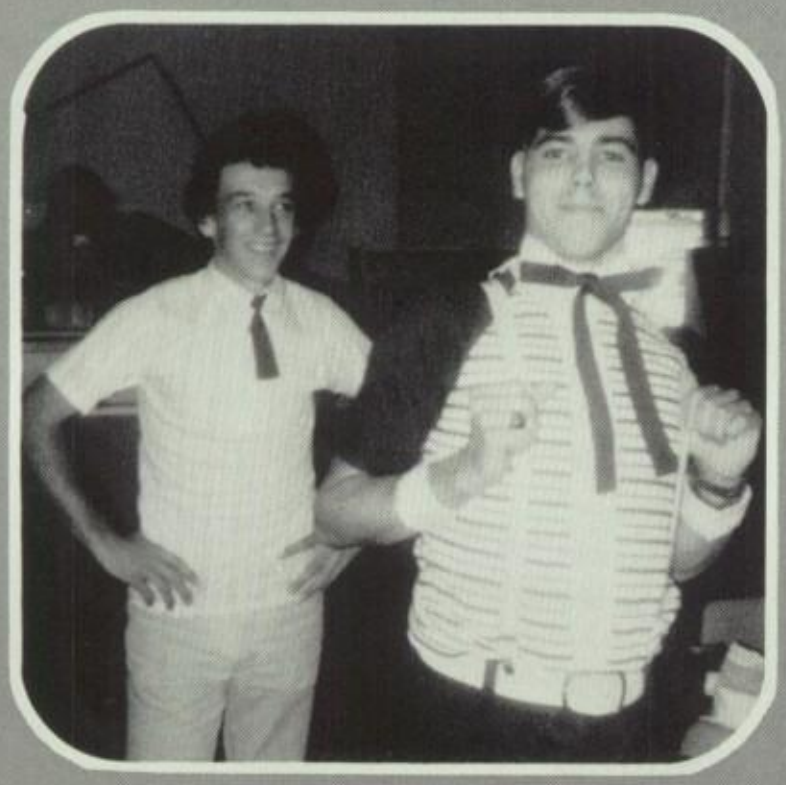
These pages of the 1975 Scroll, hold but a few of the many images all of us have of NSA. Our experiences have carried us through many different events, some happy, sad, suspenseful, and some, hillarious. Times we share, create unique images for each of us involved with NSA.



Like a tree with its roots spreading beneath the earth's surface, so do our lives have roots, the images of our younger days . . .

. . . Much of our life and future will reflect the friends we have here and the knowledge we've gained, along with the special occasions that happen through the years.

This school year has been just a chapter read, only a portion of the book of our lives. As we enter other chapters, the images of this one and others past, will make each year better.



Debra,
Best of luck always to a cute, sweet girl! I've enjoyed having you in my class this year. Have fun this summer!
